A NOTE FROM THE TEACHER

Thank you all for meeting with us and listen to our recommendations for next year. The kids have all made so much progress and we are so proud of them! We have a marble jar in our classroom we have been working to fill. We earned marbles when we did good things as a whole class or when we got compliments from others. They picked a PJ and movie day. We will pick a "G" rated movie and let your know what we decide. The teachers will bring treats! We will be having our Valentine's Day party on Thursday the 13. Be on the lookout for a sign-up for helpers! We are closed for teacher inservice on the 14. We will also be looking for a few volunteers to come on our Frozen Field trip on the 21st. Thanks!

IMPORTANT REMINDERS

Please continue to make sure you bring in extra clothing for your child. As you are aware, our classroom has had a lot of sickness going around. Please keep your child at home if they are not feeling well and have a fever. Please check out our mystery reader and Atrium sign-up. Thanks!

LEARNING FOCUS

As you all know we have started checking in in the mornings with our last names. We are also writing both our first and last names! This month we will focus on a week of gross motor activities, Valentine's Day, healthy bodies, and outer space. We will focus on letters M, N, W, and X.

"See what love the Father has bestowed on us, that we may be called children of God"
