

4PS March News

Could spring be just around the corner? We are looking forward to warmer weather and more sunshine! Continue to send your child to school dressed appropriately, we love to go outside every chance we get!

This month we will focus on the letters Aa, Mm, Nn and Vv. We have come a long way since beginning our Handwriting without Tears curriculum at the beginning of the school year. The children continue to develop the skills necessary to make the lines, curves and diagonals that are found in all the letters. In Spanish, we will be focusing on weather and seasons. They continue to build on their vocabulary. It has been so rewarding to see how quickly they learn the language!

Our nutrition focus for the month is grains and proteins. We appreciate your effort to include these in our snack! AM class has 18 children, PM class has 13. Thank you!

Here are the important dates to remember:
