

February News

Thank you for taking time to come see us during our Parent/Teacher conferences. We enjoy the opportunity to share with you all the great things your child has been learning so far this year! We would like to welcome a new friend in the AM class, Evelyn!

This month we will focus on the letters Bb, Rr, Kk and Aa, diagonal lines, the triangle and the colors purple and pink. In Spanish, we will be focusing on love and family vocabulary. We will be reading the beautifully illustrated book, Que te gusta by Michael Grejniee. It is an excellent book that makes us really think about things we love. They will also to continue to build on their colors, shapes, and number vocabulary as well.

Our nutrition focus for the month is fruits and veggies. Please provide a nutritious snack featuring one or two of these items. We have 18 students in the AM class and 13 students in PM. Thank you.

We try to go outside for a little bit every day. Please keep mittens and hats in backpacks in case we need them. Thank you!
